TriTek Wins IBM Partner of the Year Award

TriTek Solutions Earns 2008 IBM ECM North American Partner of the Year Award

BOSTON, MA – TriTek Solutions has been recognized as the 2008 IBM ECM North American Partner of the Year. This award was presented on February 10th at IBM's annual ECM Partner Council, an event for select partners to contribute to the enterprise content management and business process management strategy of IBM.

This is the fourth time in seven years that TriTek has been recognized as North American Partner of the Year and they are quite proud of this honor given the scale of IBM's partner community. This recognition speaks to both the value of the solutions that TriTek delivers to its clients as well as its close relationship with the IBM community.

TriTek's engagement model focuses on creating a strong partnership with clients to deliver these scaleable, mission critical ECM solutions in a timely, cost-effective manner. TriTek looks forward to the opportunity to partner with clients in delivering such solutions and sharing in the continued success and community recognition.
