TriTek Earns Highest IBM PartnerWorld Level

TriTek was awarded the highest level of partner recognition by IBM

BOSTON, MA – TriTek Solutions, the leader in customized Business Process Management and Enterprise Content Management solutions, was awarded Premier partner status by IBM. By reaching the highest level in the IBM PartnerWorld program, TriTek has demonstrated its commitment to IBM's vast software portfolio by completing extensive training and achieving strategic goals. According to IBM, "Premier partners actively collaborate with our organization to deliver significant client value through innovative solutions."

This achievement is added to TriTek's extensive list of awards from the IBM partner community, including 4-time ECM Partner of the Year and Beacon Award for the Most Outstanding Information on Demand Solution. When combined with these other accolades, the Premier partner level speaks to both the value of the solutions that TriTek delivers to its clients as well as its close relationship with the IBM community.

TriTek has been an active member in the IBM ECM community for over a decade. As members of the ValueNet community since 1998 and IBM's PartnerWorld since 2000, TriTek has successfully integrated IBM's product offerings into its custom solutions. In addition, TriTek has received over 250 IBM ECM certifications, more than any other partner.

Since 2006, TriTek has dramatically expanded its role as a top business partner in the IBM software community. TriTek incorporates various IBM products and services into its solution portfolio, including DB2, Content Manager OnDemand, CM8, Cognos, WebSphere, ILOG and a partnership with IBM Global Services.
